VINYL GLOVES

EFFECTIVE, AFFORDABLE AND TRUSTWORTHY PROTECTION

Powder-free vinyl gloves from a world-leading glove manufacturer.

Vinyl gloves are an economical solution, offering high quality protection for food handling and other light duty tasks.

This glove is resistant to detergents and diluted chemicals, and provides excellent strength and durability as well as enhanced comfort.

Longterm high-volume production capacity available.

Sumner Group Health Medical Supplies Limited leads the way in the supply of vinyl gloves to state and federal agencies, local governments, and private businesses across the globe.

We strive to ensure our customers get the quality protection they need. Our vinyl gloves are manufactured to meet international quality standards, and our team of specialist staff deliver world-beating protective gloves.

At SGH Medical Supplies sustainable practices rank high on our business agenda.
